

Texas Skyward User Group Conference

Preparing for the 415 Completion Records (Grades 9-12)

Tamara Kavanagh

Session Title

This session will identify the areas of the software that impact the PEIMS 415 Course Completion records and outline the steps to create Course Completion records.

- Course Master and Course Information Report
- Transfer Grades and County District Campus data entry
- Handling Attendance Credit denials
- Failing Credit Override utility
- Calculate Cumulative Current Year GPA utility
- Set Pass Fail Indicators utility
- Pre PEIMS 415 report

Section Verification

Texas State Specific

Course Sequence Codes:

Non-High School Year Long Course

Exclude record from PEIMS

* Distance Learning: 00

Class Type: 01

* Population Served: 01

Non Campus Based Instruction: 00

EOC

Exclude Class From EOC

Override Course EOC Grouping Code EOC Grouping Code (Course):

EOC Test Links (Course)

Test	Abbreviation	Edition	Level	Form	Edition Description
------	--------------	---------	-------	------	---------------------

No EOC Test Links (Course)
