

Texas Skyward User Group Conference

Small District Roundtable

Josh Stevens

Small District Roundtable

AGENDA

This session will provide an opportunity for Skyward users from smaller districts (under 10,000) to find out how others tackle challenges they face throughout the year . . .

- Network with Skyward users from other smaller districts
- Identify Skyward software and procedural issues that they've experienced
- Share how they've handled the issues
- And/or find out how other smaller districts have addressed those issues
