

Texas Skyward User Group Conference

Apps & Other Mobile Solutions

Cinthia Polite

Session Title

Skyward Mobile Access provides intuitive access for students, parents, and school staff that currently use Skyward's Family Access, Student Access, or Employee Access. Skyward Mobile Access will automatically locate your district and take you instantly to your vital information such as grades, attendance, discipline, payroll, time off, and more!

Note: Your school district must activate Skyward Mobile Access Automatic Setup in order for this application to locate your school district and connect to it.

Come and see what is available for parents and staff alike.

- Overview of Skybuild terminology
- Building an import in Export File Builder
- Creating an export from a Skyward interface template
- Automating
