Class Ranking Prep and Process – Fifth Six Weeks

Norma Bernhardt

Class Ranking Prep and Process

Session will show processes involved for calculating the 5th six weeks average and updating GPA for transcript purposes.

- Utility for saving grades for SM2 prior to ranking for credit recovery, credit by exam, early grads, etc.
- Verification of grades before calculating a new SM2 average
- Utility to calculate the SM2 average
- Calculating GPA and running rank report
- Overview of verifying class history for students

***If you district includes early graduates in the final ranking you will want to temporarily activate them. Once the process is completed they can be made inactive once again.*
