Enter Lane and Steps to Report

Lane	Current Credits	Lane	Current Credits
<input type="text"/>	- <input type="text" value="0.00"/>	Thru: <input type="text" value="ZZZZZ"/>	- <input type="text" value="999.99"/>
Step		Step	
<input type="text" value="0.00"/>		Thru: <input type="text" value="999.99"/>	

This report will find the employee's primary placement and then display the sum of their contract totals under that placements lane and step. If the profile does not have a primary placement or if none of the employee's assignment placements match their primary placement then an exception will be created and displayed in a report.
