# Utilizing the Gifted/Talented Module

This session will focus on the extra benefits of using the Gifted and Talented Module under Student Services to track additional information for G/T students.

- How to Activate the Gifted and Talented Module
- Set up of the Gifted and Talented Module
- Adding Student Records and Information
- Creating Reports for all students and all areas

License 496 must to be activated for the Gifted and Talented Module. This does require the Skyward Password of the Day. All State Reporting will now pull from the module.
