OFFICE VISITS

MM/DD View: Skyward Default | Filter: All | Quick Filter | Admit to Office | More

	Out Time	Status	Duration
	10/1/2019 9:52:00 AM	Released	6m
	10/1/2019 9:45:00 AM	Void	18m

Options: Mark as Completed, Void

If you need to remove a visit due to incorrect charting, you will void the entry. A note is required.

The office visit queue will be the best view to look at all charts that are open or have been worked on that day. This is a great place to work with the heading filters to create the view that is best for you. Under more, you can create a live tile for your home page.
