PR1500 – Open Discussion

Sara Olson - Skyward

PR1500 Open Discussion

This session will allow for an open conversation to discuss 18-19 PR1500 reporting

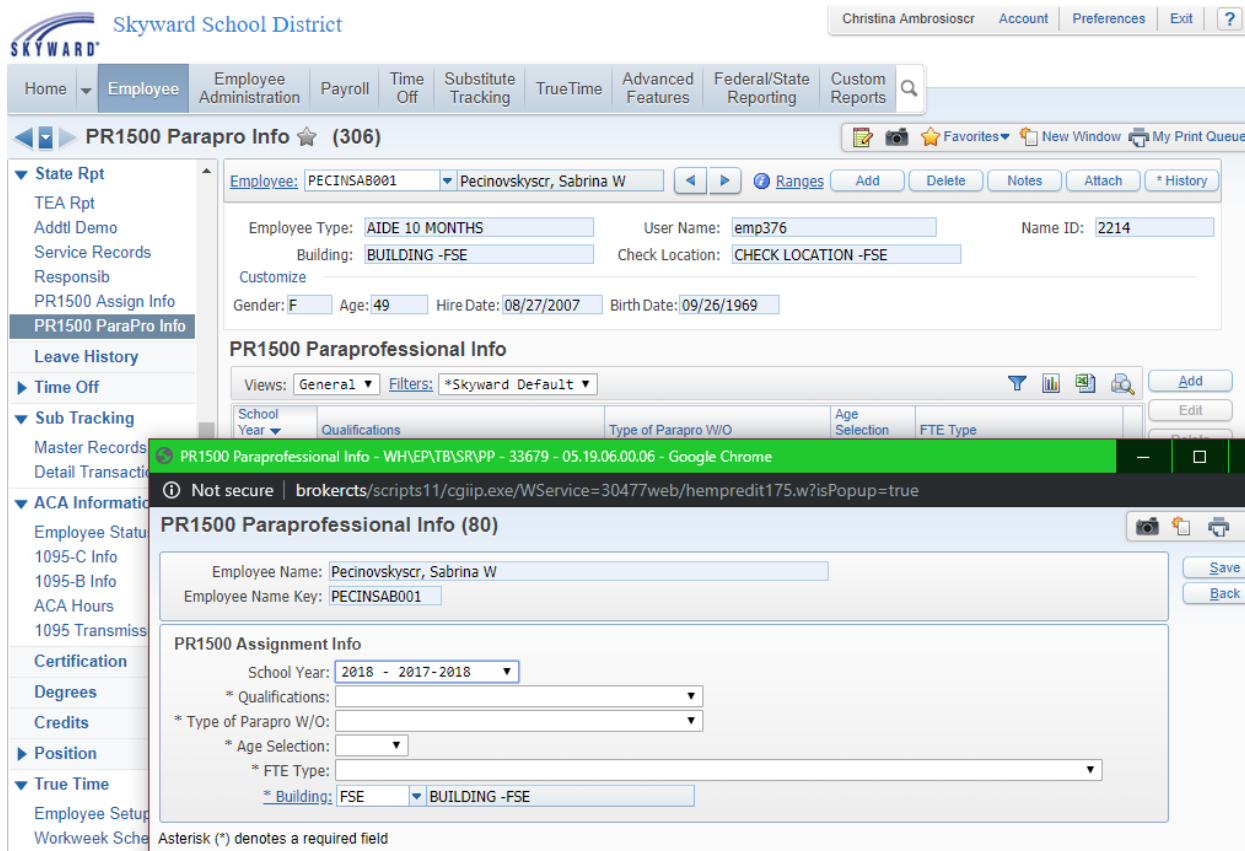

- What were pain points of last year's reporting?
- No official updates for the 19-20 SY reporting, but discuss what we do know
- Based on the unofficial updates, what suggestions would you have for improving the process for this year?

What we know for the 2019-2020
Reporting Year:

- Teachers will no longer be included in the report/counts
- Due date will be in late Spring
- Data now found in State Rpt tab of Profile (instead of Custom Forms)

Custom Forms are gone; data is moved to State Rpt tab in Profile

PR1500 Open Discussion

Assuming the removal of the teacher component is the only major change, what ideas do you have for improving the Paraprofessional and Principal reporting process?
